Even if you do not know much about Indonesia, this fabulous archipelago at the edge of the Earth, come and discover that sincere smiles are on all its inhabitants' lips. The words 'Java' and 'Bali' excite our imagination and conjure up dreams. Sweet Java: it looks like nowhere else on Earth. It guards an art and history linked to supernatural legends... Its landscapes are scattered with hundreds of striking volcanoes, beneficent and destructive. Come and discover Mt. Merapi, the most active of Java's volcanoes, the stunningly picturesque Mt. Bromo, and the Kawah Ijen's crater, with the world's largest sulphurous lake. Bali, the island of gods, its magical scenery and spiritual ambience, lets you discover its genuine culture. Time has not altered its traditions. Spirits live together in harmony: the divine ones in mountains, the more sinister ones hiding in the depths of the sea... Your discovery tour ends with a panoramic view from the top of Bali's stunning Mt. Batur, followed by enjoyable moments appreciating the beauty of the Indian Ocean.
